Treasure Map

Foreword

As we prepare to disembark from the frigate F.H.S., we reflect upon these past four years. We remember the great storms and long calms, the trials and the tribulations. The sailing has been rough at times, but the experience gained has made it worthwhile.

We remember when we first boarded the ship; it took us quite a while to get our "sea legs." But, through the years, we have been guided by the friendly counsel and example of the captain and the crew. Now, as we leave, we are grateful to them for all their patience and assistance.

We have learned many things on board which we shall need to know on longer and harder voyages in the future. Most of all, we have discovered, through all of our studies, the two traits we will need the most, friendliness and cooperation.

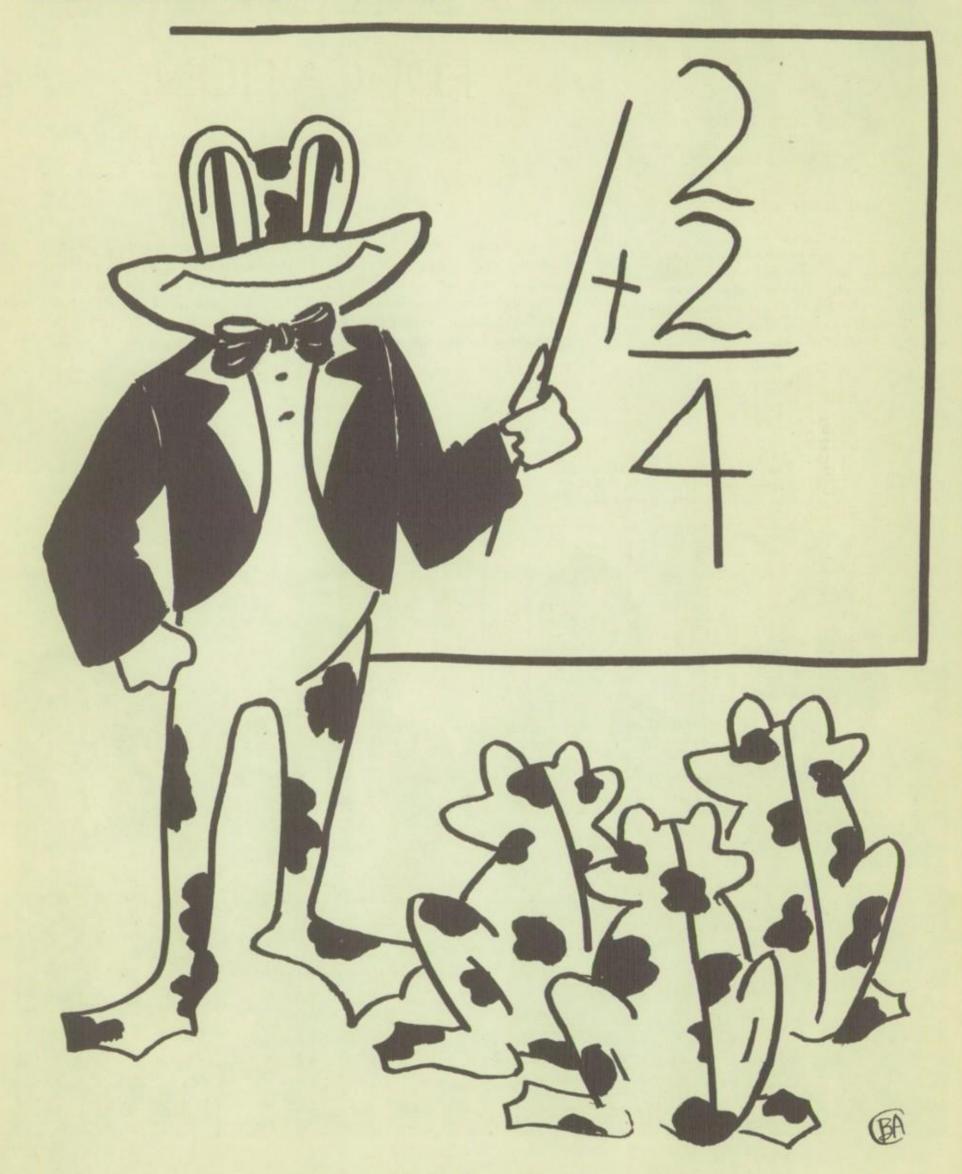

UEDICATION

MRS. MARIE MURPHY

As our Junior Class advisor, Mrs. Murphy gave a great deal of her time, as well as material assistance, that contributed much to the success of our projects, the Junior dance, the Junior Prom, and the Three One Act Plays. Her friendly attitude and selfless assistance will be remembered by all of us.

To Mrs. Marie Murphy, therefore, we, the Senior Class, gratefully dedicate the 1954 Fultonian.

ADMINISTRATION

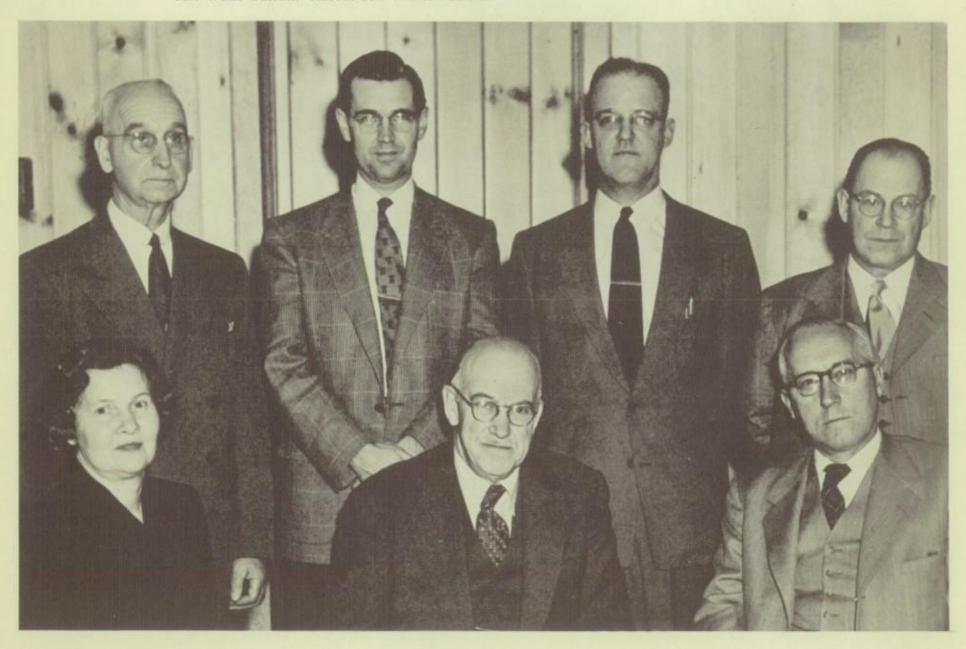

MISS MARY CONLEY

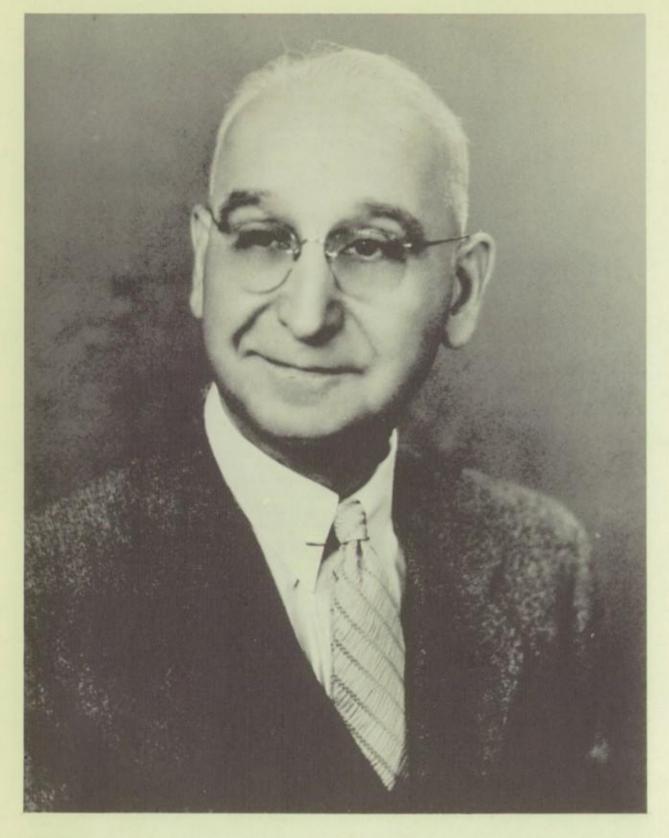

Every office owes its success to its aides, those people who work behind the scenes to take each project a little closer toward perfection. The Board of Education Office has two such assistants, Miss Mary Conley and Mrs. Alice Terkoski.

BOARD OF EDUCATION

These are the public-spirited citizens of Fulton who comprise the Board of Education. Members of the Board are appointed by the Mayor and serve terms of five years, without compensation. It is through their many hours of work that the problems of operating our school system are met and overcome. Our respect and admiration go to them for the splendid job they are doing.

First Row: Mrs. Harold McGovern, Mr. James Lanigan, Mr. Harry Gray Second Row: Mr. G. Ray Bodley, Superintendent, Dr. Eugene Anthony, Mr. Elmer Goss, Mr. Wade Bassett. Absent Mr. William Hillick

MR. G. RAY BODLEY

This year marks the completion of thirty-two years of selfless, untiring service upon the part of an outstanding member of the Fulton School System.

Mr. G. Ray Bodley came to Fulton in 1920. He had been graduated by Syracuse University and had been principal of The Edward Smith School. He became superintendent of the Fulton schools in 1922. Since then he has worked constantly for the advancement and improvement of the educational system of this city. The Fairgrieve School, one of his most recent undertakings, is immediate proof of his capabilities. To him also is accredited the establishing of Fulton High School.

His engaging personality and easy friendly manner has endeared him to all his associates. Both young and old have benefited by his kindly advice and gentle assurance.

When he retires, Mr. Bodley takes with him the best regards of all the students of Fulton High School, who wish him many years of peaceful enjoyment in the realization of a job well done.

1920 1954

MR. ROBERT C. MACDONALD

In our 1954 Fultonian, Mr. Macdonald's picture appears for the last time as principal of Fulton High School. It might be said that he is being graduated with us. In July, Mr. Macdonald will assume his new position as Superintendent of the Fulton Schools.

Mr. Macdonald's appointment to the superintendency was viewed by the high school with mixed emotions. We knew he would bring to the city position all the qualities that we have come to depend upon—integrity, understanding of student problems, alertness to student needs, and unselfish devotion to duty. However, the high school will certainly miss the intimate personal supervision which he has given us through the years.

Mr. Macdonald received his bachelor of arts degree from Wesleyan University in Connecticut and went on to receive his master's degree from Columbia University. He began his teaching career in Oswego High School in 1916. In 1929 he succeeded Lyndon Strough as principal of Fulton High School.

As Mr. Macdonald assumes his new position in the school system, we of Fulton High School would like to express our appreciation for all his services and offer our best wishes for the future.

MISS ALICE G. McCAFFREY Attendance Supervisor

Cheerful and kindly in humor, wise and friendly in counsel, great in heart, she retires from service with all our good wishes.

MISS M. GERTRUDE JOHNSTON Vice Principal

Miss Gertrude Johnston is the able vice-principal of Fulton High School. She is an assistant-administrator, chairman of the assembly and tardiness committees and head of the English department; this year she has also served as our class advisor.

"Who is vulnerable in the second hand?" is one of the many questions that keeps Miss Wallace busy at

Every second Wednesday evening in the month you could find a group of "expert" junior and senior College Entrance students having a jubilant time playing bridge in the home of one of the members. There is usually much confusion when six or seven card tables are wedged tightly together in an alloted area.

First came a short business meeting which kept Dave Mitchell, president, busy selecting people to make tallies and bring tables for the next meeting. Our vice president was Beverly Parish and our secretary, Dawn Lamphear. Larry Scott, treasurer, diligently collected dues so that we could munch on candy while playing.

> The Grand Finale of Carpe Diem was the picnic in June which always winds up the activities and fun for another year.

First Row: Vayner, Geers, Roy, Glinsky, Libera. Second Row: Mahern, Harbottle, Reynolds, Kinne, Robinson, Davis, Combes.

Third Row: Blandino, Murphy, McSweeney, Smith, Osborne, Richards, Lewis, Allen.

In the first season under its new constitution the Science Club was more active than it had been in years.

A bake sale and F.H.S. pencils added to the treasury, and the year's activities included a trip to the local telephone office. The most ambitious project was a science fiction contest in which the writer of the best short story was awarded \$5, and the runner up, \$2. The story was scheduled to be filmed during the summer of '54.

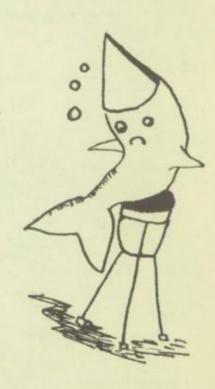

To qualify for membership in our high school branch of the National Honor Society, a student must maintain a point average of 2.5.

Under the supervision of Miss Davidson, the members conducted a successful magazine sales drive again this year. The most important project Honor Society undertook was to send CARE packages to India and Korea at Christmas time.

FUTURE HOMEMAKERS

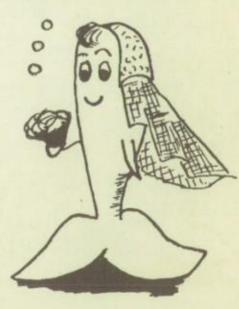

"What's cooking?" Just the home made bread and cup cakes that the Future Homemakers are preparing for a bake sale.

Other activities of the F.H.A. were parties at Halloween, Christmas and of course the one held for Valentine's Day with the Future Farmers. During the year they made place cards for the patients in the local hospital and sold Christmas boutonnieres.

In this busy schedule some of the girls, under the supervision of Mrs. Beardsley, found time to attend the Regional Conference at Manlius.

Late in January an evening initiation party was held by candle light.

FUTURE FARMERS

F.F.A., as this organization is generally called, is comprised of boys who are interested in all types of agriculture and conservation.

Many of the boys attended the County Fair at Sandy Creek this year, and others camped at Oswegatchie.

Under the supervision of Mr. Black, a few boys sell candy, gum, potato chips, milk and orange at noon in the cafeteria to raise money for their treasury.

The F.F.A. boys, one of Fulton High's most enthusiastic groups, deserve much credit for their efforts in farm activity.

As always, the Junior Red Cross members put forth much effort to make their club a success. Their most important undertaking of the year was a dance, an activity unusually attempted by this organization. "Amore," as it was called, took place on February 26 and helped bring in enough proceeds to fill a chest with school supplies. This chest, made by Lance Rath, was sent to a foreign country.

Through the year, members have volunteered to wash dishes for the blood mobile when it came to Fulton. They also did clerical work in preparation for the adult Red Cross drive. Another contribution to the community was the Christmas tree, set and decorated in the lobby of the Fulton Memorial Hospital.

The fifteen boys and girls elected by the student body to constitute our 1953-54 Student Council worked hard for the school and accomplished many things.

Among the Council's achievements were the organization of a Booster Club, the initiation of the printing of programs for athletic games, the appointment of a student committee to work with the faculty's administration committee on school problems, the participation in three different conferences of Student Councils, and approval for a school trophy case.

Council also undertook their annual projects which included a Christmas collection for the Oswego County orphans and the awards assembly.

Student Day was sponsored by Council on March 19. Students were elected in their classes to act as the teacher that day. The officers of Student Council took over the general duties of Mr. Macdonald, Miss Johnson, Mrs. Smith and Mrs. Holroyd. The home room representatives on Council acted as home room teachers for the day.

Selling stationery was their biggest money making project of the year.

LIBRARY

Whenever we enter the library there is always a welcoming smile from the two or three students who aid Miss Biben with the various library duties.

These students help with taking attendance, checking books, filing material, and running errands.

VISUAL AIDS

Lug the screen! Cart the projector! Tote the extension cord! We owe a vote of thanks to the boys who so faithfully serve their fellow students in this manner.

The students who run the motion picture projector under the supervision of Mr. Abbott have donated much free time, too, so that the teachers may use a variety of learning devices.

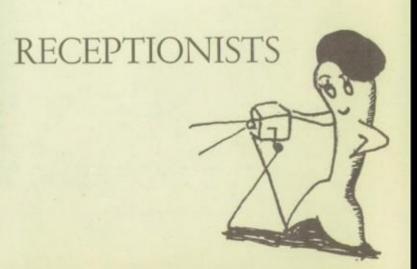

It's a service to the school that we all appreciate.

During each period of a school day, you will find one of these girls acting as secretary to Mr. Otis in the counseling office.

Typing letters, delivering passes, answering the phone, and finding occupational and college material for other students are a few of the receptionists' duties. Under Mr. Otis's direction, the girls arranged the school bulletin board with interesting materials.

Seven girls take their turns in helping Mrs. Smith and Mrs. Halroyd with the various office duties. The Journalism Club is a regular extra-curricular activity of the school.

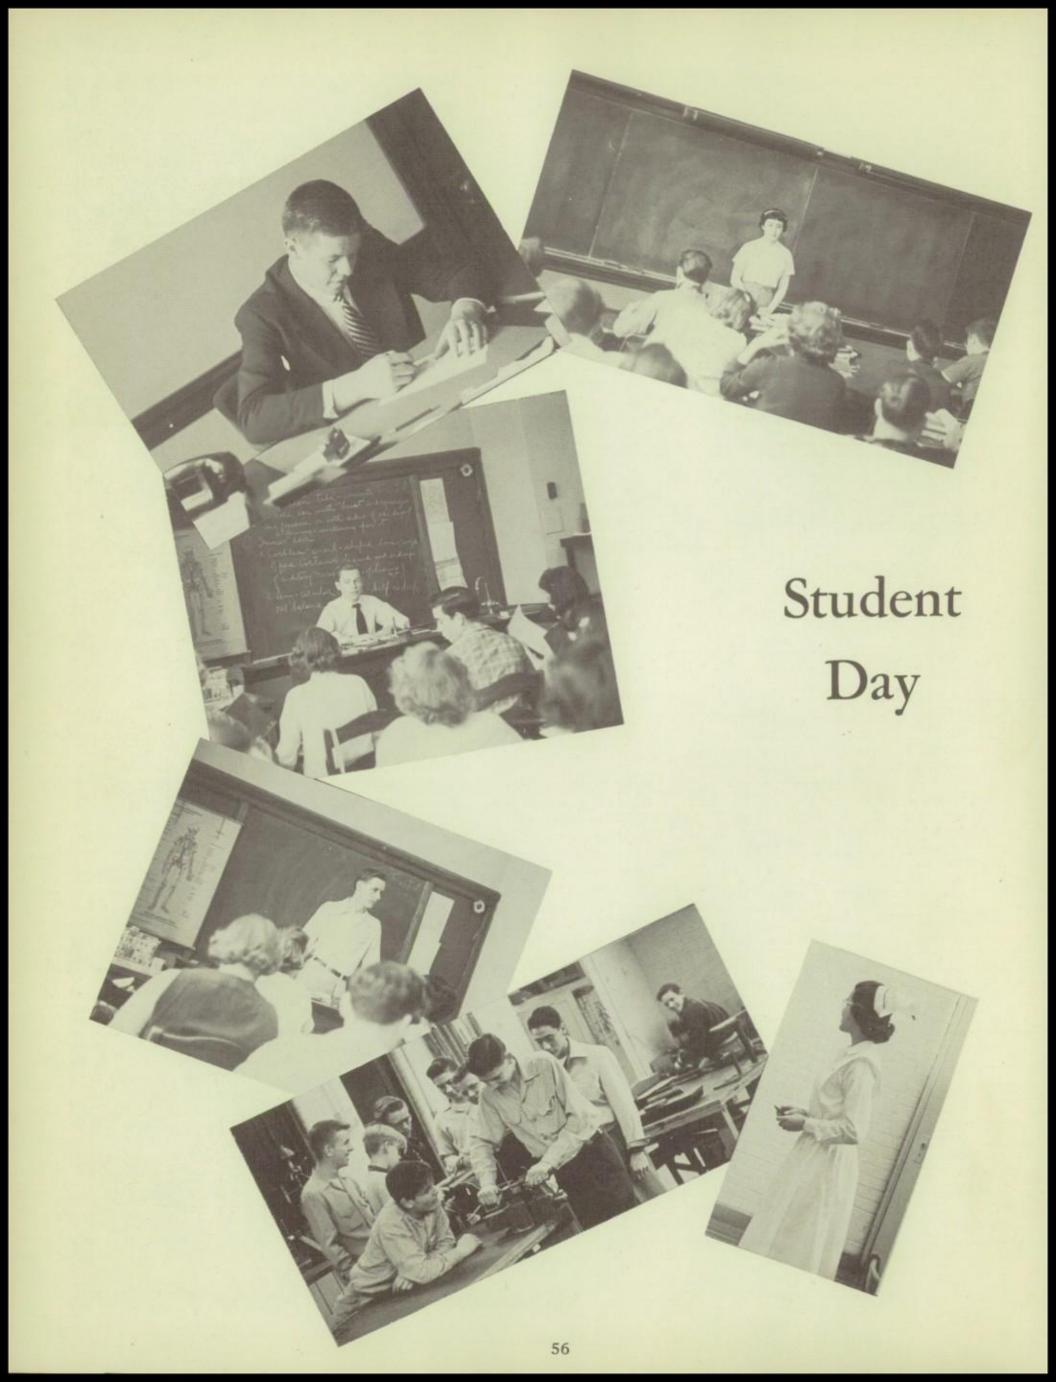

Under the guidance of Mrs. Dixon the students have concentrated their efforts on publishing the "Buzz."

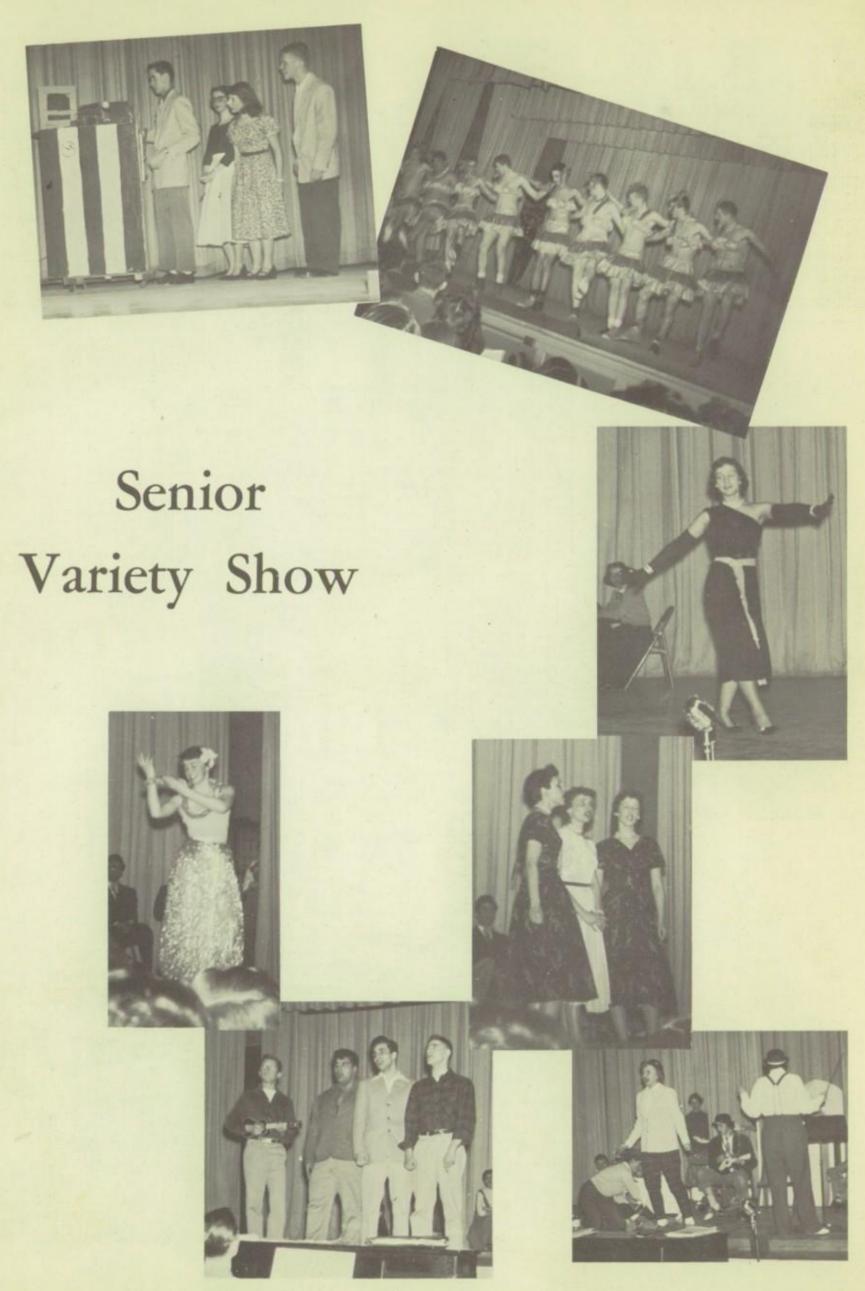

The Buzz in recent years has won first place among the New York State school newspapers and last year it was awarded first prize for sports writing.

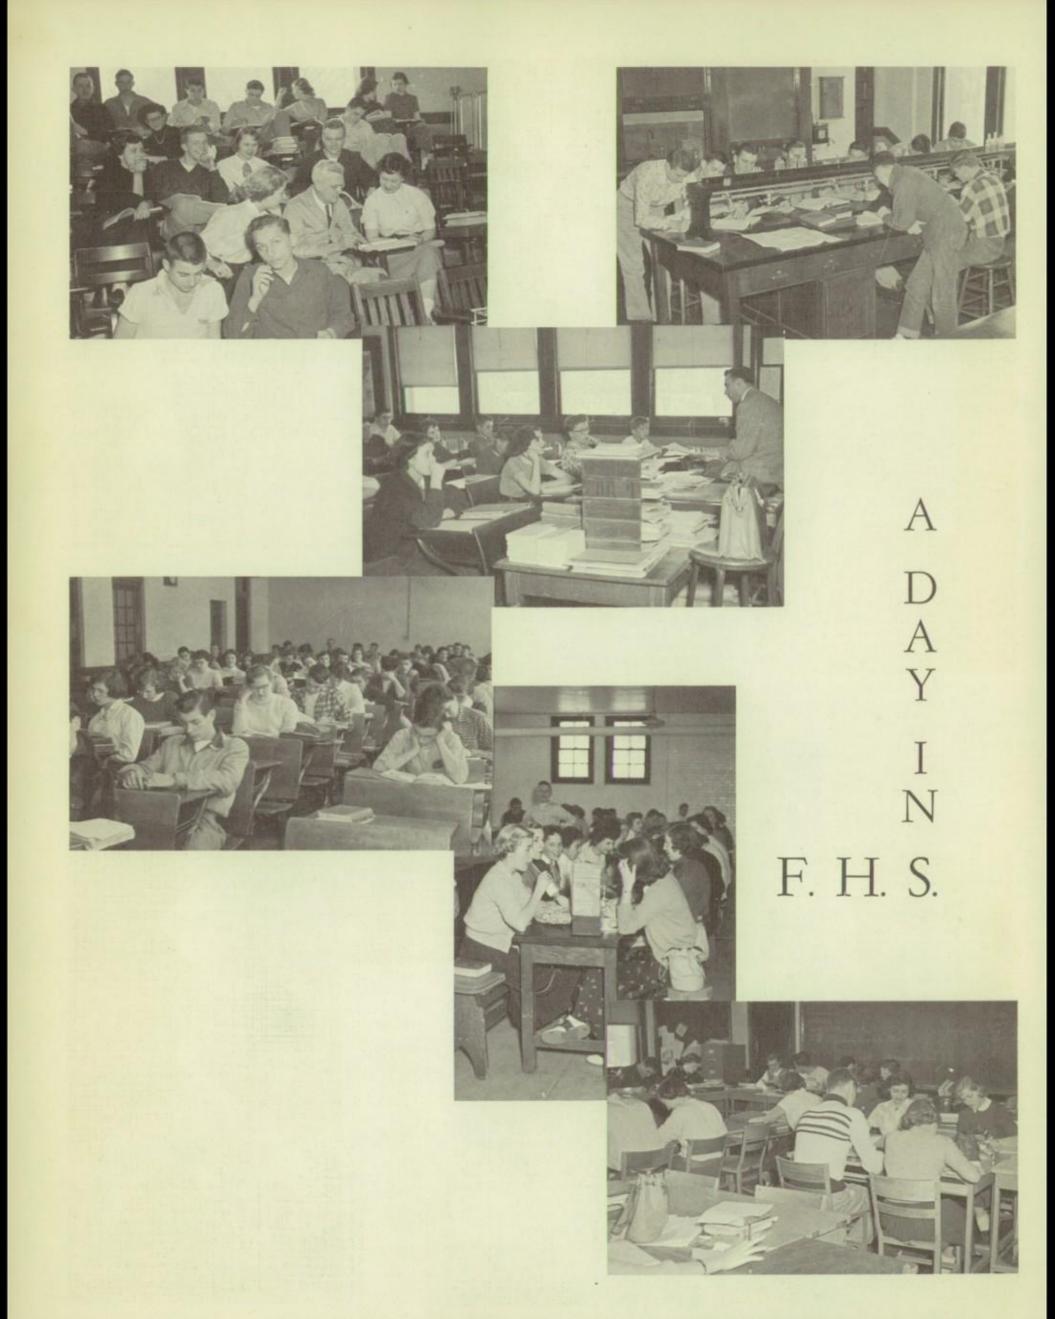

The Buzz also has received many commendations from readers for its splendid advertisements.

Sept. 27 Opposite a highly talented Cortland eleven Fulton's Red Raiders were completely outclassed. The Cortland team scored first on an eighty-seven yard kickoff return and went on to score 3 more touchdowns. Fulton's touchdown came when Dick Howard passed to John Novak on a spectacular play that covered sixty yards. Final score Cortland 26-Fulton 6.

Oct. 3 Fulton played their first home game of the season against Utica Free Academy. The opponents scored three times while holding us scoreless. Although they were defeated 19 to 0, the Red Raiders showed some defensive strength.

Oct. 10 The Blodgetts of Nottingham scored twice in the first period. The rest of the game Fulton tried in vain to score. The final score was Nottingham 12-Fulton 0.

Oct. 24 Fulton met a high-flying Valley team. For the first time all season the Red Raiders dominated the play. Fulton struck early when George Weske went around end to climax a brilliant drive. Blair converted. There was no more scoring until the third quarter when Valley scored. The extra point was blocked by Ray Best. Fulton went on to win its first game in two seasons by a score of 7 to 6.

Oct. 31 Fulton played host to Solvay, co-champions of their league. Spirit was high but Fulton just could not come through with another win. Solvay scored and made the extra point. The half ended with a brilliant goal line stand by the Red Raiders. Fulton's single score came in the fourth period when Adams passed to Weske. The final score Fulton 7-Solvay 20.

Nov. 11 Fulton journeyed to Oswego to meet their traditional rivals. Oswego was leading 7 to 0 early in the first period. Then Fulton fought and tied the score on a pass to Blair. Vescio kicked the extra point. The Oswegoians then took charge of the ball game, winning 25 to 7.

VARSITY

Fulton High's Red Raiders completed their 1953-1954 season with a very impressive record of 12 wins and 5 losses.

For their only defeat at home, Fulton bowed to Watertown by one point in the final seconds of play. On the Fairgrieve court, the Red Raiders chalked up victories against such teams as: Camden, Utica Free, and Auburn, and then closed the season with a glorious victory over Oswego, to avenge a defeat earlier in the year.

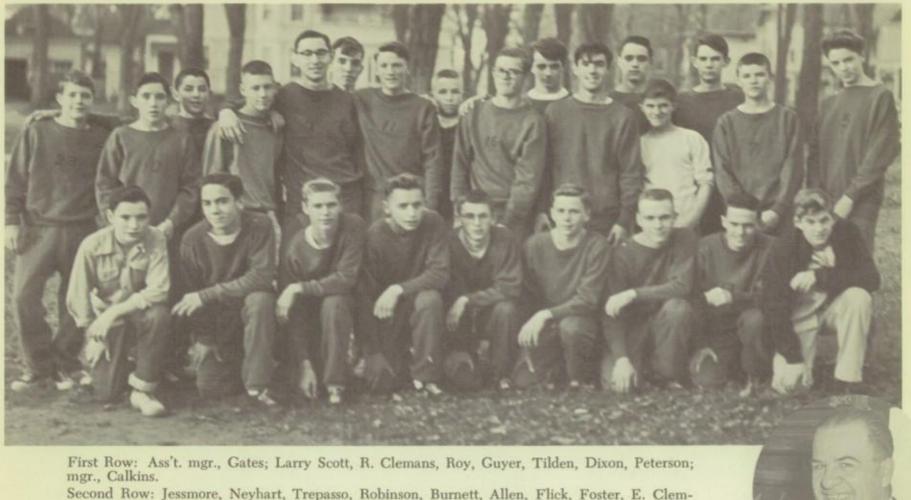

Teamwork seemed to be the keynote as the Red Raiders of Fulton High School completed their most successful season in many years.

JUNIOR VARSITY

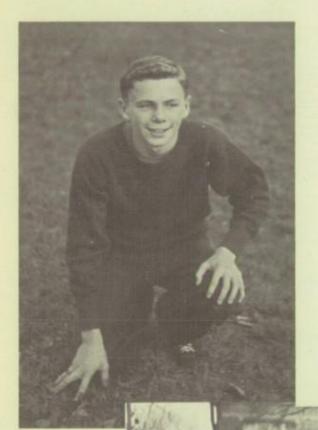

Prospects for future seasons were brightened by the splendid record compiled by our Junior Varsity team. Although the Jay-vees were sparked by the four senior members, the majority of the team is made up of underclassmen who will be candidates for future varsity squads.

First Row: Langdon, Novak, Smith, Rath, Mac Ewen; mgr., Langdon. Second Row: Coach Muscalino, Turner, Clark, Kring, Kanaley, Sullivan.

Second Row: Jessmore, Neyhart, Trepasso, Robinson, Burnett, Allen, Flick, Foster, E. Clemons, Muckey, Leroy Scott, Blance, Daniels, Dashnau, Sutcliffe, Van Arsdale.

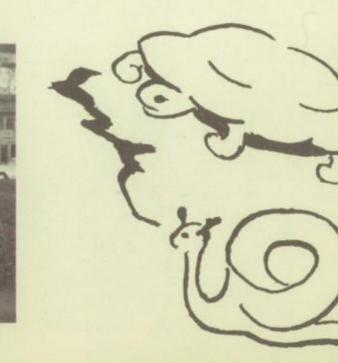

CROSS COUNTRY

Composed of only two veterans, Brian Peterson and Ed Dixon under the guidance of Lloyd "Toby" Tyler, Fulton completed a successful year in cross country.

At the first meet in Utica we placed eighth among twenty-four teams. At Baldwinsville, Fulton ran third. Fulton placed first in a hard fought battle at Altmar-Parish. For the Section 3 meet the team returned to Utica to place second against a superior Watertown team.

We are now after a second trophy at the Palladium-Times meet in Oswego. The first trophy was won last year after winning the meet 3 times in succession.

Against its arch rival, Oswego, 6 Fulton men finished in the first 8. At Watertown the hard running Fulton team received a trophy for being runner-up in Class A.
